Advertising Guidelines

Ad text is formatted according to each newspaper's standard style. Positioning within the classified section is up to each newspaper. Ad copy and pre-payment are required by noon Wednesday for publication the following week.

Deadline/Publication

Ad copy and payment must be received by NJPA by noon on Wednesday prior to the week you wish your ad to be published. Your ad will run one time in each newspaper during your selected week. Each daily newspaper will determine the weekday of publication. Ads for weeklies will run the day they publish on the week you specify. We guarantee your ad will run in at least 90 percent of the newspapers, except for "work at home" and 900 number ads. Your ad also will appear on the NJPA website, www.njpa.org.

Standards of Acceptance

NJPA reserves the right to edit all copy submitted and reject anything not in compliance with state or federal regulations, in poor taste, offensive, false, misleading or deceptive. Adoption advertising must be accompanied by a letter from an attorney attesting to the legality of the proposed adoption. Employment advertising must be for a bona fide job offering and must state the nature of the work offered. "Work at home" ads and ads that sell directories, job listings or instruction books must state what the customer will be receiving and that a fee is involved.

Word Count

Phone numbers, including area code, count as one word. Hyphenated words, i.e. part-time, count as two words. City, state and zip code each count as one word each. Web addresses count as one word.
