Teachers, School Administrators:

## Enroll your school in the 2008 NJ Student/Parent Mock Election

### What is the Mock Election?

The goals of the Mock Election are:

- To educate students (kindergarten through 12th grade) on political issues and candidates
- To give students an opportunity to cast a ballot as if participating in an actual election
- To encourage student-parent discussions regarding the election and increase adult voter turnout

### When is the Mock Election?

The Mock Election will be held on October 30 for the 2008 Presidential Election. In addition to voting for the president, students will vote on national issues and New Jersey candidates for Congress.

New Jersey Press Foundation will coordinate the NJ Student/Parent Mock Election. More information is available: [www.njmockelection.org](http://www.njmockelection.org)

To enroll your school, please mail this form before September 30 to:
