Columbus Day Celebration

What Columbus Day Means to Me
by Jenna Micusco, Grade 8

Columbus Day has a lot of meaning to me. First of all, it is a day off from school, the United States of America. Being the day of school is a big deal for some people and not for others. Some people don’t think it is important, but it is. Columbus Day is a day for us to remember the past and look to the future. It is a day for us to learn about our history and how we got to where we are today. It is a day for us to be proud of our heritage and to remember the sacrifices made by our ancestors.

Columbus Day is a time for us to come together and remember the past. It is a time for us to celebrate our history and to honor the people who came before us. It is a day for us to remember the bravery of our ancestors and the hard work they put in. It is a day for us to remember the challenges they faced and the struggles they went through.

Columbus Day is a day for us to be proud of our heritage. It is a day for us to remember the sacrifices made by our ancestors and the hard work they put in. It is a day for us to remember the challenges they faced and the struggles they went through. It is a day for us to remember the importance of our history and the lessons we can learn from it.
