General Information

New Jersey Press Association’s Daily Journalism Contest encourages excellence by recognizing the achievements of NJPA member newspapers and digital news organizations. The contest looks to the future by encouraging news organizations to find new ways to inform, entertain, enlighten and engage their readers.

Eligibility

This competition is open to newspapers and digital news organizations that are full members of New Jersey Press Association whose dues and assessments are paid in full through December 31, 2020.

Contest Period

January 1, 2020 – December 31, 2020

Deadline

Monday, January 11, 2021
The contest website will accept entries until 11:59 p.m.

Judging

Entries will be judged according to the guidelines set forth in the category listings and rules. Judges who are independent of the New Jersey Press Association will select First, Second and Third place winners in each category. Awards will be granted only when judges believe that special recognition is warranted. In categories that receive fewer than four entries, the association encourages judges to award prizes only if the entries merit them.

Awards Presentation

Winners will receive their awards at NJPA’s Spring Awards Celebration in April.

Entry Criteria

This contest has two divisions – Daily Over 25,000 and Daily Under 25,000 – which are judged separately.

All entries must have been published between January 1, 2020 and December 31, 2020. Entries must have been published inside the newspaper or website except for categories D19 and O1–O10.

The maximum number of entries per category, per newspaper or digital news organization, is two, unless otherwise indicated in the category description.

An article or series of articles may be entered in only one category with one exception: One article of a series may be entered as part of an individual’s portfolio. A “series” must have been clearly labeled as such in the newspaper. There is no limit to the number of stories in a series. A “portfolio” is three articles or examples by the same individual. A “sidebar” is considered an article. Note: A three-story series would be considered three articles in a portfolio.

Entries from a publication or magazine that are distributed with or within the newspaper on a regular basis throughout the year may enter any category except Special Issue. Publications distributed independent of the newspaper are not eligible for the contest.

The contest allows entries from wire services, from groups of NJPA daily newspaper members, and from businesses jointly owned by NJPA member newspapers. These entries may be
submitted only in the Over 30,000 circulation division and will not count toward the General Excellence Award.

Cover letters or statements must be submitted in categories D1, D3, D4, D5, D17, D20, O4, O5, O6 and O7. They are optional for categories O1 and O2.

Each print entry must be submitted as a URL or PDF tearsheet of the entire newspaper page, including the publication date. Identify each article, column or section by its title or headline; do not use just the reporter's or columnist's name. See Making entries on Page 7 for more details.

All online entries must have been created locally by you and must have appeared on your website. For each entry, submit a URL to a permanent location on your web server and a screenshot saved either as a PDF or JPEG.

No more mail-in categories!

For files larger than 20 MB, you can click the “RealView” icon on the Submit Entry page to create a freee account, upload your files, and then copy and paste the URL into the URL field on the Submit Entry Page. You may also use a similar 3rd party website that provides hosting services (scribd.com, issuu.com, etc.). Alternatively, you can use Adobe to shrink your full-size edition and then upload it to the website. The size limit is 20 MB.

Again for this year, you will no longer need to mail in special sections, etc. Simply upload your shrunken file, or generate a link to your publication online using the third party software. Once you e-publish your large document, then copy the link. Paste the link into the entry form (instead of uploading). When judges click your entry, they will be instantly taken to your e-published document. Check your work by navigating to “Manage Entries” where you can test the link.

Contest Instructions

New Jersey Press Association's Journalism Contest is digital. All editorial entries are submitted on the contest website: www.betternewspapercontest.com. For best results, the contest website recommends using Google Chrome browser; and Firefox for older PCs and Macs. Please have a recent version downloaded and installed for best contest experience.

Reminders for this year’s contest

Username and Password
Each person submitting entries will have a unique username and password.

Contestant Manager
The “Contestant Manager” controls what is entered in a contest for your newspaper or website.

• IMPORTANT: Your Contestant Manager is the same person year to year. The first person who logs into the contest and makes two entries becomes your Contestant Manager. (These first two entries may be test entries that are deleted after other entries are submitted.)

• NJPA has four contests: Advertising, Journalism Daily, Journalism Weekly, and Photography. Your newspaper or website can have a different Contestant Manager for each contest.

• The Contestant Manager can choose to make entries exclusively or authorize others
to make entries. To allow others to make entries, the Contestant Manager must create a separate account for each person.

• The Contestant Manager has access to all entries submitted to a contest for your newspaper or website, and can edit, disable or delete any entry.

• The Contestant Manager can access account information and passwords for every person he/she authorizes to make entries.

Authorized Entrant
Each person the Contestant Manager gives permission to make entries is an “Authorized Entrant”.

• While the Contestant Manager can see and edit all of the entries and account information, the Authorized Entrant only can see and edit the entries he/she made.

Scrapbooks
Potential contestants can save their work on the contest website in their own Scrapbook accounts. Scrapbooks are personal. They are not connected with a particular contest, but are available for any contest.

• For this contest, once a potential contestant has been made an Authorized Entrant, he/she can upload content from his/her Scrapbook directly into an entry.

Start early and become familiar with the process
We strongly recommend that you start making your entries early. Certainly don’t wait until the day before the deadline!

We suggest you make some test entries to learn the process. Later, these test entries should be “disabled” so they are not part of your official entries.

Step-by-step directions for setting up accounts and making entries are available on the contest website – www.betternewspapercontest.com. Under “Contestant Login”, click on “Contestant Manager Help” or “Authorized Entrant Help”.

Or use these links for PDFs of the directions:

Contest definitions
Division: a specific contest, e.g., Advertising, Editorial Daily, Editorial Weekly or
Photography

Category: a specific competition within a contest division, e.g., “News Writing Portfolio” or “Opinion Column.” Each division has a number of categories, which have specific requirements and limitations that are explained in the contest rules.

Entry: a submission in a category. Each category permits a specific number of entries. For example, a newspaper may submit two entries in the “Editorial Comment” category, but only one in the “Breaking News” category. The contest rules provide specific information.

Example: Some categories require multiple examples as part of each entry, e.g., several columns as part of a writing portfolio. In this case, ALL of the examples for the entry should be uploaded in as a URL or single PDF, e.g., three tearsheets containing the columns as separate pages in one PDF. For information on how to combine multiple tearsheets into one PDF, see Preparing your entries below.

Preparing your entries

Keep the judges happy!
If not uploading URLs, don’t make them wait for your PDFs to be displayed because a file is too large. Entries that the judges cannot view will be disqualified.

Maximum entry size
Each entry should be less than 5 MB. Smaller is better, faster.
- Eliminate extra pages. Upload only the page on which the entry is located.
- For multiple-example entries, combine all examples into one PDF.
- Reduce the size of each PDF.

Extract pages from multi-page PDFs
If your entry is part of a multi-page PDF, open the PDF and save it with a new name. Open the new PDF, go to “Document” menu, select “Extract Pages” and follow the directions. Eliminate all pages that are NOT part of your entry.

Combine multiple PDFs into one
Open the PDF that you want first in your entry and save it with a new name. Open the new PDF, go to the “Document” menu and choose “Insert Pages.” Navigate to the PDF that you want next in the entry and select it. Continue until you have inserted all of your pages.

Make PDF files smaller
For printing, most newspaper PDFs include high-resolution grayscale or color images. However, contest entries will be viewed and judged on computer screens at low resolution (72–96 dpi) and in RGB color. Changing the resolution and color mode of images are the two most effective ways to reduce file size without sacrificing the screen viewing quality.

Use lower resolution
In PDFs, the text is clear regardless of resolution. Resolution only relates to photos and graphics. Reducing resolution by half can reduce an image file size by 75%. The recommended maximum resolution of 96 dpi can be enforced in your Adobe Distiller settings.

You might create an Adobe PDF Preset called “NJPA Contest” with the recommended settings, and share it with all the Contestant Managers and Authorized Users in your company.
Or simply use the “Smallest File Size” preset, instead of “High Quality Print” or “Press Quality”.

Convert images to RGB color mode
Converting images from CMYK color mode to RGB will reduce image files by about 25%.
This color conversion can be enforced in your Distiller settings.

Embed all fonts
Regardless how you make your PDFs, make sure ALL fonts are embedded. The judges will not have the same fonts as you have. If the PDF is missing fonts, your entry will not display properly.

Redistill PDFs
After making final adjustments to your PDF, redistill it to make it smaller.
Changes you made to your PDF may not yield the expected reduction in file size until you redistill the PDF. This is true even if you reduce resolution or change color mode using a PDF editor, like Enfocus Pitstop or Quite a Box of Tricks, or use the native profiling/editing tools in Acrobat 6 or later.

To redistill, open the PDF in Adobe Acrobat. Go to the “Advanced” menu, scroll down to “Print Production” and select “Acrobat Distiller”. Enter the settings recommended above or choose the preset that you created and be sure that ALL fonts are embedded.

Web entries
All website entries must be accessible online to the judges.

• Provide a direct URL for each entry, to a permanent location on your web server.
• If a username and password are required, please enter those details in the “Comments” box on the entry page.
• If the judge cannot access your entry, it will be disqualified.

Also, upload a screenshot of each entry, in PDF or JPEG format, for the slide presentations of winning entries shown during the award banquets.

Making entries
Headline or Title of Entry
Remember that you are submitting full-page PDFs or URL’s, so please make sure your titles accurately identify the items the judges need to locate on the pages!

• In the “Headline or Title of Entry” box, enter the headline of the ad, article or photo being uploaded, exactly as it appears on the page.
• Do NOT use just the name of the advertiser, writer or photographer.
• For categories that require more than one example per entry, you may use the name of the advertiser, writer or photographer if it is obvious on every example in the entry. Otherwise, list all of the headlines or titles, separated by double slashes like this:
Title1 // Title2 // Title3
• Do NOT use commas, semicolons, colons, dashes or single slashes to separate entry titles. Often they are used in headlines, but double slashes never are.

To add web/audio/video content, copy and paste the content’s URL address into the provided
Website URL field. To host your content online, either upload it to a free streaming content website (e.g. YouTube) or talk to your IT person about adding it to your publication’s website. Make sure the content will be accessible online throughout the duration of the contest and judging process. IMPORTANT – Be sure that items are not behind a paywall or a password protected area.

Credits
In the boxes labeled “Who should be credited for this entry?” you can enter up to four names of people who worked on the entry.
• In the box titled “First Name” list the FULL name: Joe Green
• In the box titled “Last Name” list that person’s title: Reporter, Editor, etc.
• If more than four people worked on the project, enter: Editorial Staff, etc.

Statements
Some categories require that a statement or cover letter be included with each entry.
• If a statement is required, attach it as a Microsoft Word document or PDF.

Official Entry Form
Once you have completed the entry form, click on the “Submit” button and you will be taken to the entry verification page, titled “This Page is Your Official Entry Form.”
• From the verification page, you can “Submit Another Entry”, “Manage Entries” or “Logout”.
• DO NOT hit the Back button or you may eliminate this entry!
Once the maximum number of entries is reached in a category, that category is no longer available unless an entry is “disabled” using “Manage Entries”.
You may print copies of the Official Entry Form for your use, but do not send them to NJPA.
Please send NJPA the Contest Entry Form that is included with this package.
